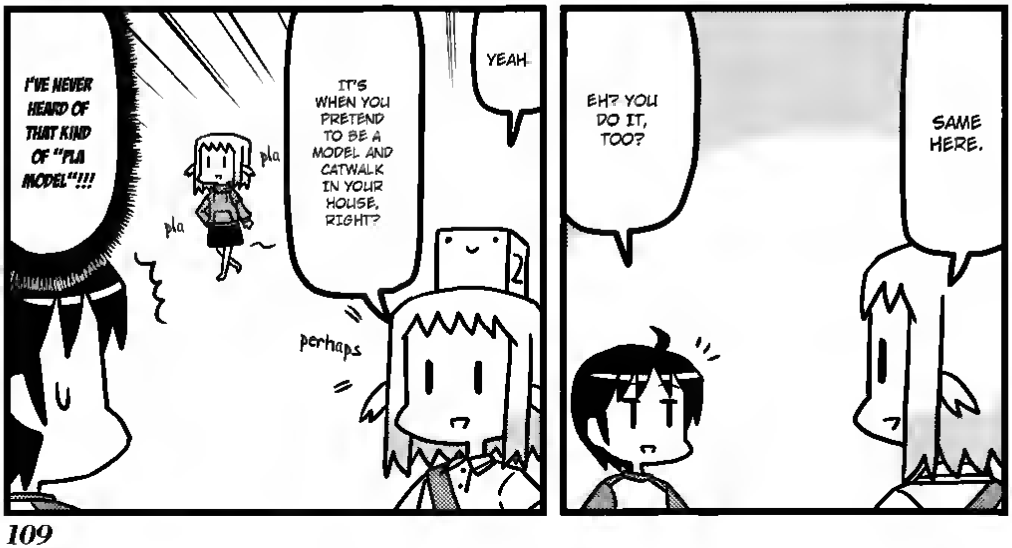
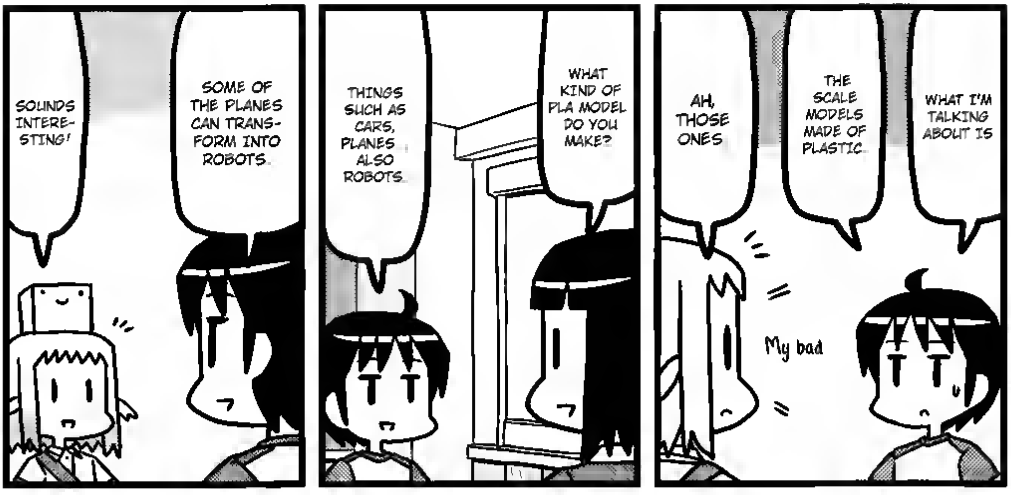
TL note: Plastic model

Chapter 27 "Plastic model"

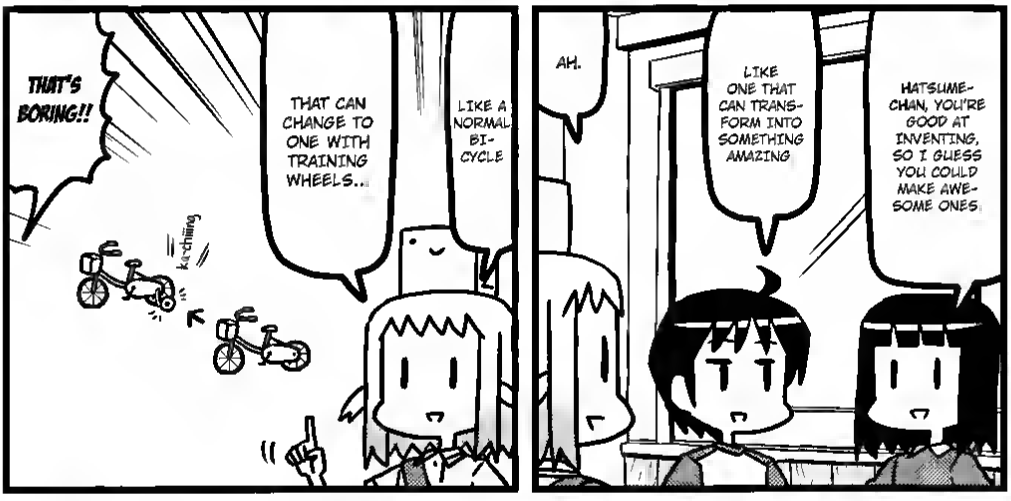


SAME HERE.
EH? YOU DO IT, TOO?
YEAH.
IT'S WHEN YOU PRETEND TO BE A MODEL AND CATWALK IN YOUR HOUSE, RIGHT?
perhaps
pla
pla
I'VE NEVER HEARD OF THAT KIND OF "PLA MODEL"!!!

TL note: "To stroll" sounds "pura pura (pla pla) suru" in Japanese.

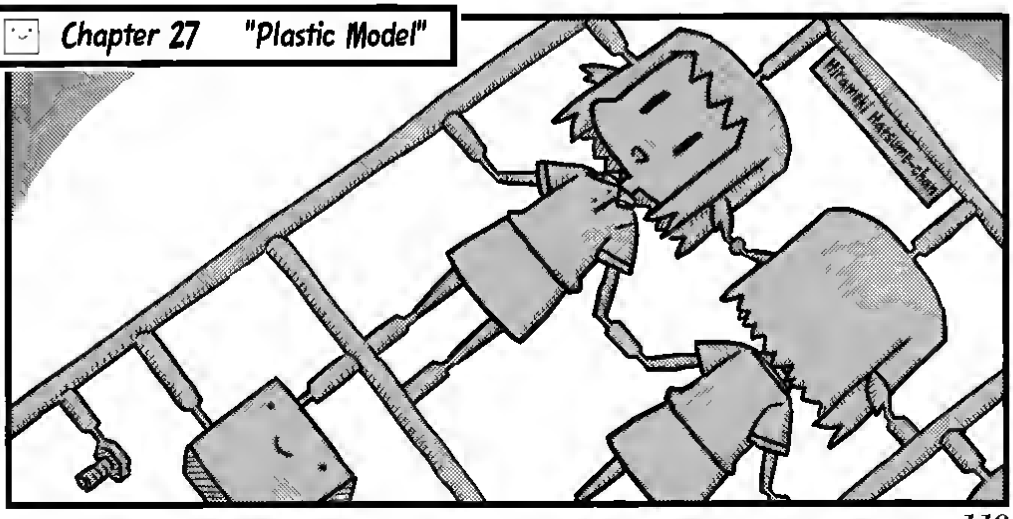


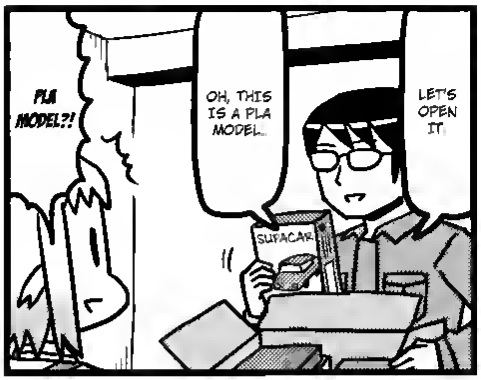
SOUNDS INTERESTING!
SOME OF THE PLANES CAN TRANSFORM INTO ROBOTS
THINGS SUCH AS CARS, PLANES ALSO ROBOTS
WHAT KIND OF PLA MODEL DO YOU MAKE?
AH, THOSE ONES
THE SCALE MODELS MADE OF PLASTIC
WHAT I'M TALKING ABOUT IS
My bad

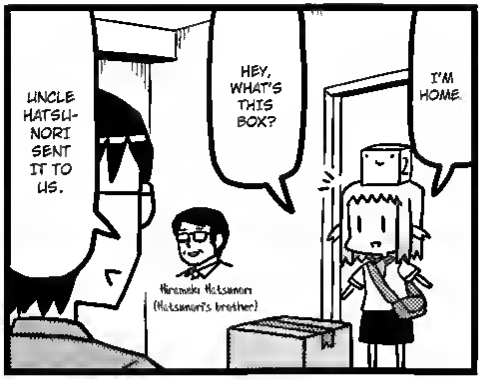


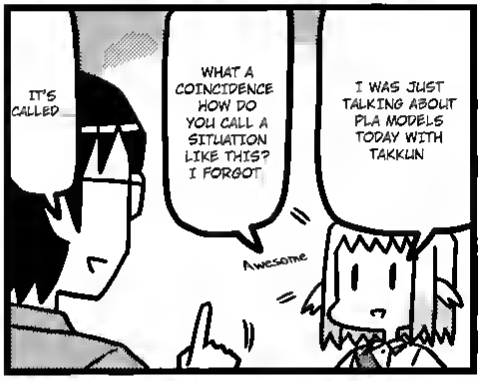
THAT'S BORING!!
THAT CAN CHANGE TO ONE WITH TRAINING WHEELS..
LIKE A NORMAL BICYCLE
ka-chiing
AH.
LIKE ONE THAT CAN TRANSFORM INTO SOMETHING AMAZING
HATSUME-CHAN, YOU'RE GOOD AT INVENTING, SO I GUESS YOU COULD MAKE AWESOME ONES

Chapter 27 "Plastic Model"





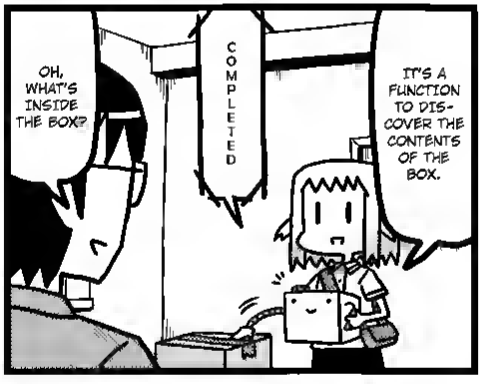


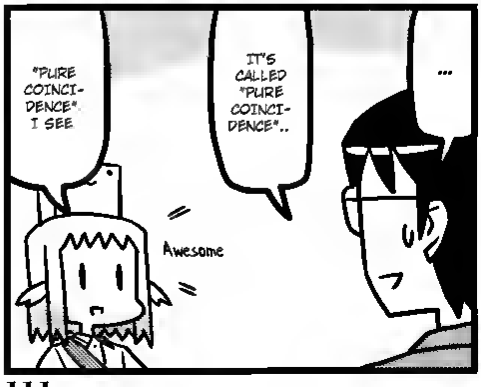


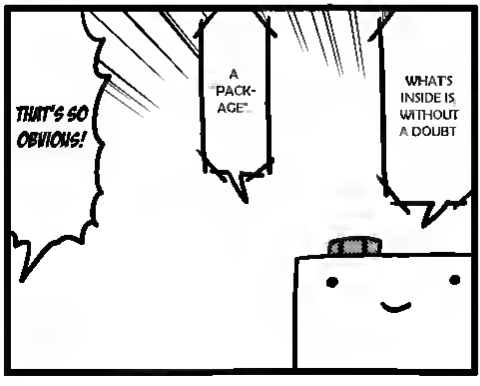
IT'S CALLED
WHAT A COINCIDENCE HOW DO YOU CALL A SITUATION LIKE THIS? I FORGOT
I WAS JUST TALKING ABOUT PLA MODELS TODAY WITH TAKKUN
Awesome

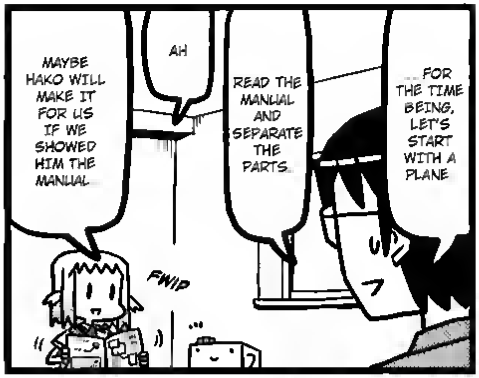
I THINK NEITHER "SPEAKING OF THE DEVIL" OR "A TOP OUT OF A GOURD" ARE RIGHT... UMM
I SAID "IT'S CALLED" LIKE I'M SURE OF IT BUT I DON'T REMEMBER THE RIGHT THING TO CALL IT

TL note: "A top out of a gourd" is an express on n Japanese that means something really unexpected came out from an unusual place.

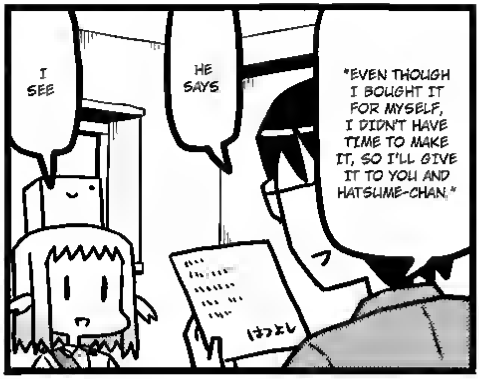




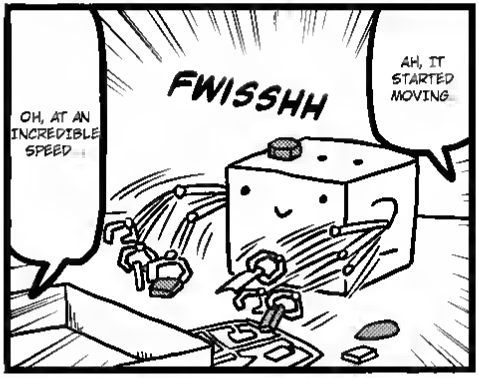




MAYBE HAKO WILL MAKE IT FOR US IF WE SHOWED HIM THE MANUAL
AH
READ THE MANUAL AND SEPARATE THE PARTS
...FOR THE TIME BEING, LET'S START WITH A PLANE
FWIP

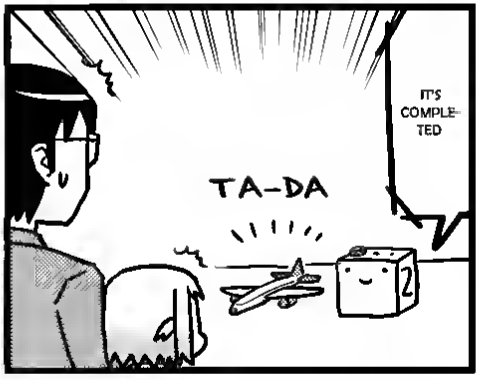


I SEE
HE SAYS
"EVEN THOUGH I BOUGHT IT FOR MYSELF, I DIDN'T HAVE TIME TO MAKE IT, SO I'LL GIVE IT TO YOU AND HATSUME-CHAN."
はつよし



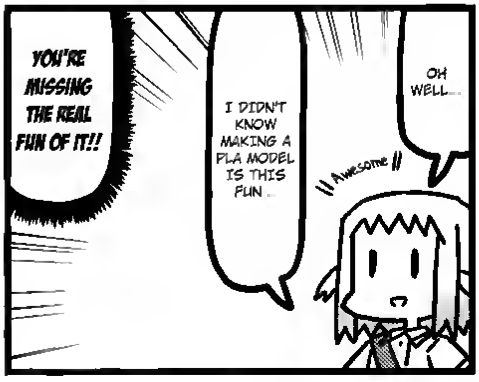
FWISSHH
AH, IT STARTED MOVING
OH, AT AN INCREDIBLE SPEED

HMM, I WONDER...
WE HAVE PLANES, CARS, ROBOTS, AND CASTLES AS WELL
HATSUME, WHICH ONE WOULD YOU LIKE TO MAKE?

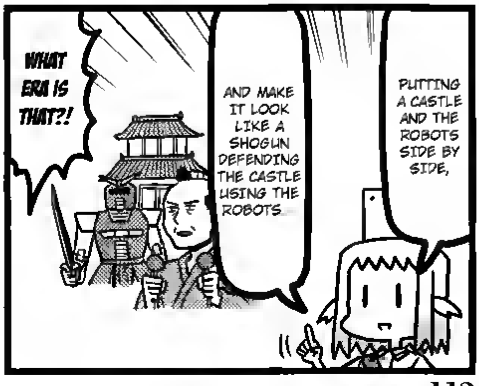


TA-DA
IT'S COMPLETED

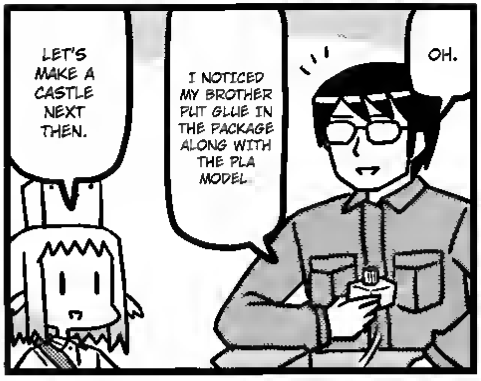
HOW ABOUT...
AND MAKE IT LOOK LIKE A FUTURISTIC BATTLE
IT'D BE NICE TO PUT THE JET PLANES AND THE ROBOTS SIDE BY SIDE

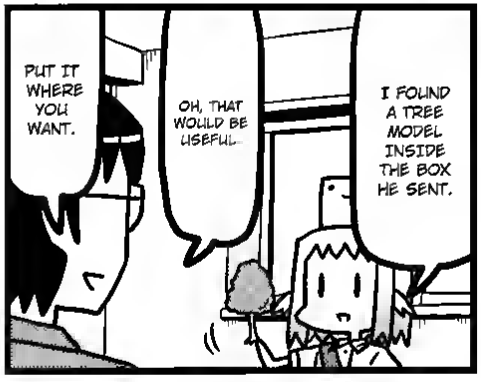


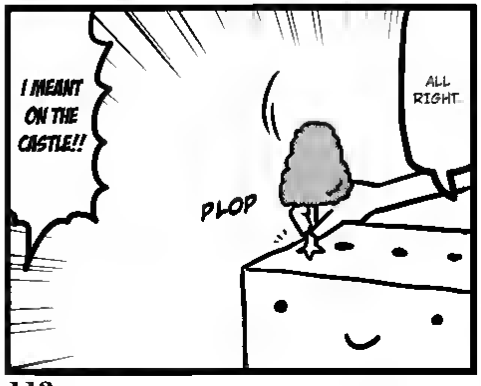
YOU'RE MISSING THE REAL FUN OF IT!!
I DIDN'T KNOW MAKING A PLA MODEL IS THIS FUN...
OH WELL...
Awesome

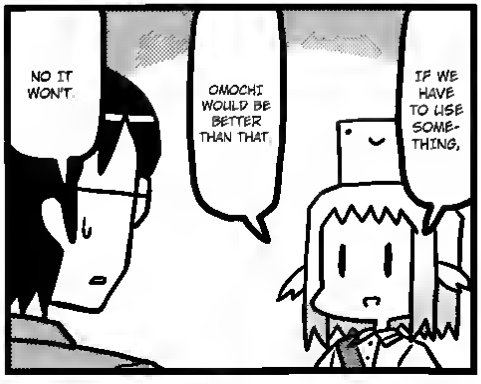


WHAT ERA IS THAT?!
AND MAKE IT LOOK LIKE A SHOGUN DEFENDING THE CASTLE USING THE ROBOTS
PUTTING A CASTLE AND THE ROBOTS SIDE BY SIDE,
Wooooow



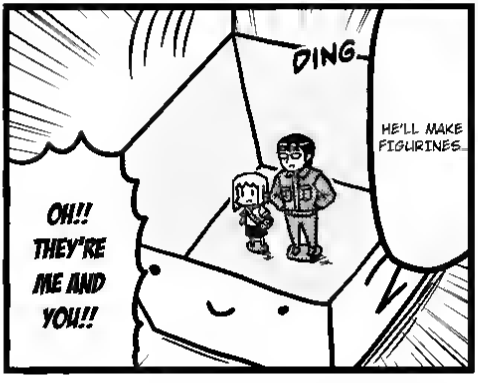


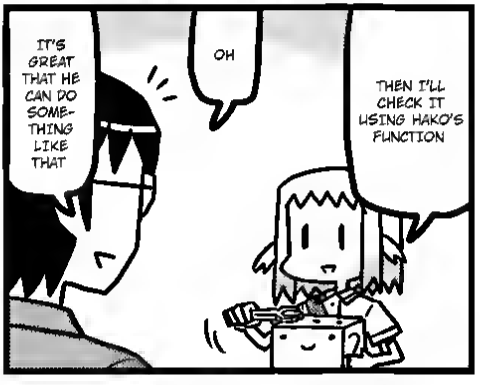


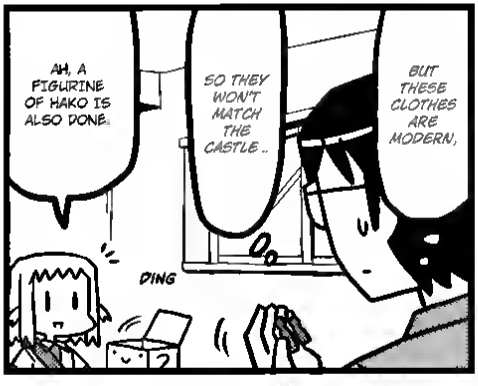


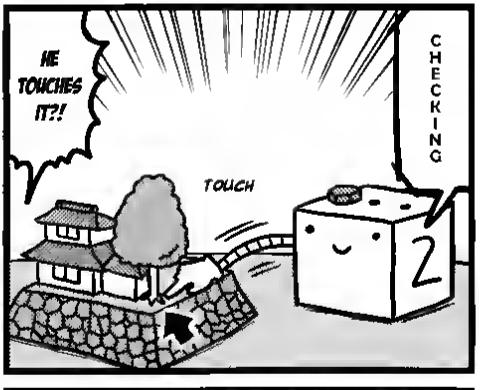
TL note: Omochi is Japanese rice cake made of mochi gome (glutinous rice). Also known as "mochi"

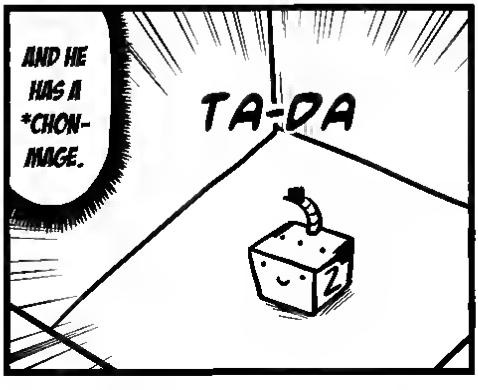
PUT THE LEFTOVER PARTS IN HAKO AND WAIT FOR A MINUTE.
THEN
IT'D BE BETTER IF WE HAD SMALL FIGURINES OR SOMETHING...
IT'S DONE, BUT I FEEL LIKE SOMETHING IS MISSING.



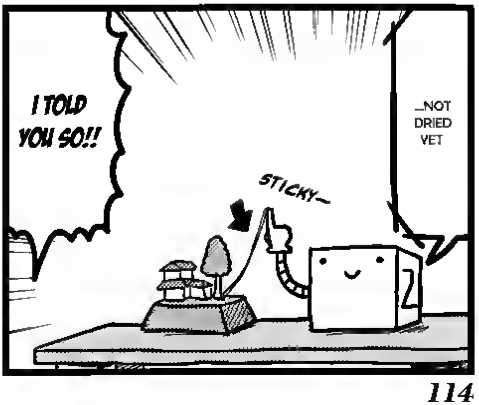




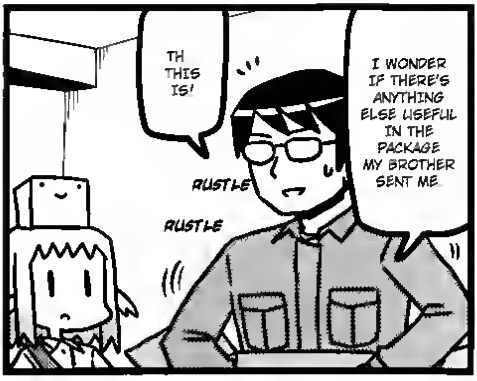




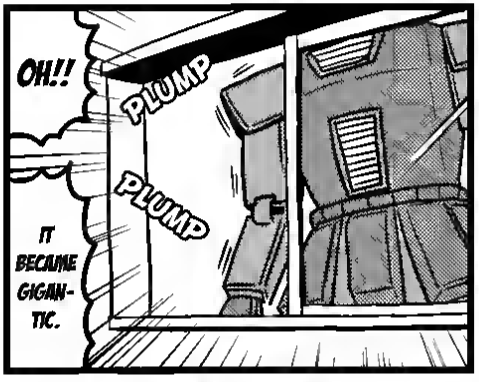
TL note: "topknot"



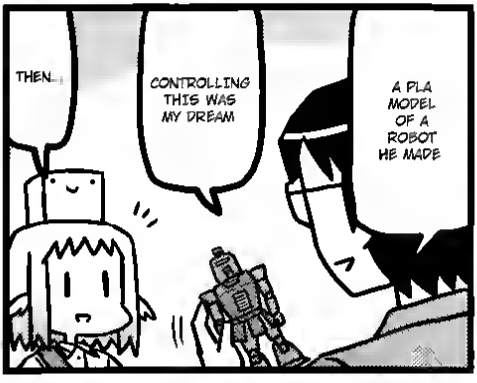
OUTSIDE THE WINDOW?
LET'S PUT HAKO AND THIS ROBOT...
JUST KIDDING...



TH THIS IS!
RUSTLE
RUSTLE
I WONDER IF THERE'S ANYTHING ELSE USEFUL IN THE PACKAGE MY BROTHER SENT ME...

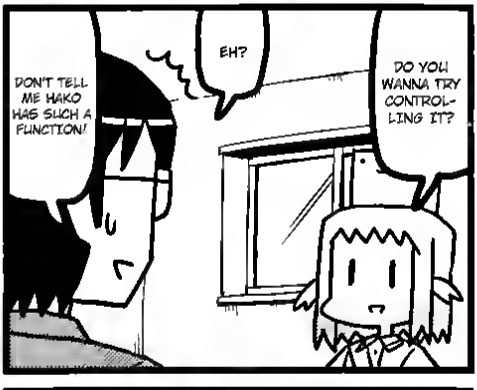


OH!!
PLUMP
PLUMP
IT BECAME GIGANTIC.

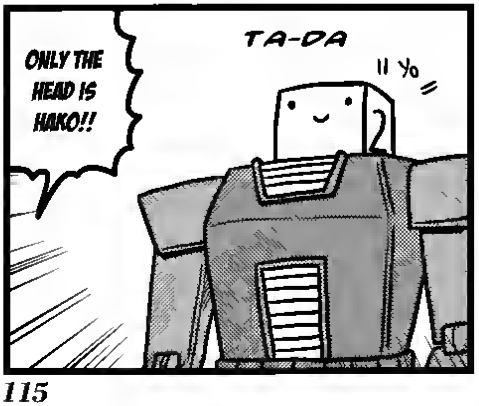


THEN...
CONTROLLING THIS WAS MY DREAM
A PLA MODEL OF A ROBOT HE MADE

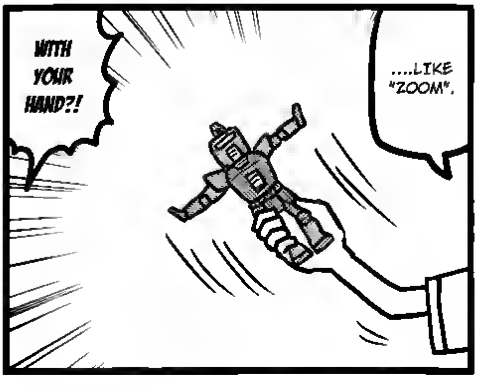
I WANT TO SEE ITS ENTIRE BODY...
DON'T TELL ME THIS HUGE THING IS CONTROLLABLE...?!
LEAN



DON'T TELL ME HAKO HAS SUCH A FUNCTION!
EH?
DO YOU WANNA TRY CONTROLLING IT?



ONLY THE HEAD IS HAKO!!
TA-DA



WITH YOUR HAND?!
....LIKE "ZOOM".

THOUGH I'M A LITLE SCARED LET'S DO IT!
BEEP
IT ONLY HAS ONE BUTTON?
THEN I'LL TRY IT.
YOU CAN CONTROL IT WITH THIS REMOTE CONTROL-LER
AH... I SEE
HAKO MERGED WITH THE ROBOT AND BECAME BIGGER
..THAT MEANS...
IF YOU WAIT A WHILE, IT'LL GO BACK TO ITS CREATOR
NO WOR-RIES
WHERE DID IT GO?
WH...
TWINKLE
ROAR
...IT STARTED FLYING!!
WHAT? THERE MAY BE A HUGE ROBOT IN MY GARDEN BUT PAY IT NO MIND?
HAHAHA, WHAT THE HELL IS THAT?
CLICK
HELLO
HEY, HATSUNORI WHAT'S UP?
